

enroll now: interior design listserve

To help you stay informed, the Interior Design Department has created a listserve – a kind of email bulletin board – so that we can alert you to topics of interest such as schedule updates, competitions, or scholarship opportunities.

announcements you'll receive

- News relating to the program
- Advising information
- Upcoming class schedules weeks before they appear online or in print
- Courses not on the printed schedule
- Updates to course schedules
- Industry and student events
- Internship and job opportunities
- Scholarship announcements
- Program policies and instructions
- Equipment and supply notices

YOU MUST ENROLL to receive these announcements.

NO CLUTTER: Replies to any listserve message are received only by the person who sent the message. They will not go to all the listserve members.

NO JUNK: Posting to the listserve is password protected.

subscribing to the listserve

1. Send an e-mail to **id@clublists.bellevuecollege.edu**
2. Type the word **subscribe** in the subject line.
3. Shortly afterwards you will receive an e-mail confirmation from the list.
4. *You must reply to this message to complete the process.*

listserve enrollment problems

Comcast, Hotmail and some other internet service providers don't allow automated responses, so steps 3 and 4 may not work.

If you receive a "List Posting Error Notification" after replying to the confirmation e-mail, you can enroll manually by going to the Student Technology Support Center website <https://bellevuecollege.edu/STSC/> and filling out the request ticket. They will confirm your subscription.

unsubscribing from the listserve

To *remove yourself* from the list, e-mail id@clublists.bellevuecollege.edu with the word **unsubscribe** in the subject line. You will receive a confirmation notice that you have been removed from the list.

If you would like an announcement posted to all interior design students and other subscribers, send an email to Dan Beert at dbeert@bellevuecollege.edu.

check out the interior design student association (IDSA) blog!

A great place to find events, volunteer opportunities, department announcements and so much more! Be sure to take a look at the bottom to see a calendar of events: a one stop shop for all architecture and design events in the greater Seattle area.
