

## 2010 Bellevue College Volleyball Camp Information & Registration

### Camp Information

Our 2010 camps are designed to improve skill level in basic and intermediate athletes. We evaluate campers based on skill and then separate onto 3 courts. We then use a logical progression of drills & tutoring to bring the best results. Our coaches COACH and it is designed to have a camper/coach ratio less

than 10/1 for great small group attention. A maximum of 60 athletes are allowed in each camp. All camps are in the Bellevue College gym and all campers receive a free camp T-shirt.

### **All 3 camps have the same specs:**

Days: All camps are Tuesday – Friday. This allows us to take Monday to set up the gym and have an extensive Coaches' meeting.
