

# Radiologic Technology Program

Health Science, Education and Wellness Institute

---

Instructions/Checklist for your  
Radiologic Technology Program 2012 Application

Application deadline: **February 15, 2012**

To apply to the Radiologic Technology Program you will need to:

- Fill out the online Bellevue College Admissions Application (**required only** for non BC students and prior BC students who have not taken Bellevue College courses within the last 4 quarters).
  - Complete the online application (Step 2) from our website at:  
<http://bellevuecollege.edu/health/ratec/apply.asp>
- Fill out the online Radiologic Technology Program Application
  - Complete the online application (Step 3) from our website at:  
<http://bellevuecollege.edu/health/ratec/apply.asp>
- Pay the non-refundable \$40.00 program application fee after completing your Radiologic Technology Program online application
  - The application is not considered complete until the fee has been paid.

The following required documents need to be submitted either by mail or in person **on or before the application deadline date** (use the address below):

- A copy of your transcript from each college you have attended for the prerequisite courses. An unofficial copy can be submitted but sealed official copies will be required if you are accepted to the program.
- Submit a personal statement of not more than 500 words discussing specific or unique attributes that you will bring to the program; any personal or imposed challenges or hardships you have overcome in pursuing your educational or work goals; or any other special considerations that you believe will make you a good candidate for the program.

## Other program requirement:

All applicants are required to attend at least one orientation session as part of the application process. Please visit: <http://bellevuecollege.edu/health/ratec/orientations.asp> to view the schedule. No need to sign up or register to attend. Call or check our website to confirm the schedule.

Mail/deliver application materials to:  
Radiation & Imaging Sciences, MS A-242  
Bellevue College  
3000 Landerholm Circle SE  
Bellevue WA 98007-6484
