To receive information about courses you have or are planning to take that may meet equivalency requirements for the Diagnostic Ultrasound Program PREREQUISITES, please submit the following form along with an unofficial copy of the college transcript. The courses thought to be equivalent should be highlighted to help in identification.

You may FAX this information in confidence to Katherine Olson, Program Chair, at (425) 564-4193 or email documents to this address: imagingprograms@bellevuecollege.edu. When emailing transcript, they should be scanned and sent as attachments. ***If you send your worksheet and transcripts to us by mail, we will return the material to you when you include a self-addressed envelope. Mail them to Diagnostic Ultrasound Program, A251, Bellevue College, 3000 Landerholm Circle SE, Bellevue WA 98007-6484. Please allow 7-10 working days to receive a reply from our program chair. This completed form should be included with your packet when you apply.***
