

POST ACTIVITY

SELF-ASSESSMENT

You have completed activities involving Critical Thinking and the use of Information Resources. Think about what you have learned and practiced. How important are these things?

	Not at all	Somewhat	Very much
I understand my own viewpoint, biases, and values.			
I can be flexible.			
I can be creative when trying to solve a problem.			
I try to improve the quality of my work.			
I understand why I am successful and why I am not.			
I use library resources with ease and comfort.			
I can navigate the WWW efficiently.
