

I, _____ understand the policies as outlined in the Bellevue College Academic Network Web Space Usage Policy and will abide by those policies. I understand the Director of Computing Services, or an authorized representative, has the right to take any action necessary to protect any Bellevue College computing resource, including the right to inspect, copy, remove or otherwise alter any file, files or directory which may constitute a violation of the Bellevue College Acceptable Use of the Bellevue College Network and Data Management Systems policy. I also understand any inappropriate usage will be dealt with as is deemed appropriate, and may include, but is not restricted to, immediate revocation of Web access rights, disciplinary action and legal prosecution.

The administrators of the network upon which the web site is stored are not responsible for any misconduct or harm that I commit. I will be held fully responsible for all my actions. I understand Bellevue College accepts no liability for interference with, or loss of, any files, programs or data belonging to me resulting from its efforts to maintain the privacy and security of its computing facilities.

In being granted the privilege of using Bellevue College Academic Network Web Space, I will:

- Ⓢ not send and/or receive messages that are discriminatory based on race, creed, color, gender, religion, ethnic origin, disability, or sexual orientation. I understand that this includes the distribution of sexually explicit materials, messages that are sexist, or messages which constitute sexual harassment;
- Ⓢ be respectful of the rights, the ideas, the information and the privacy of others;
- Ⓢ not view, copy, alter or destroy any data, software, documentation or data communications belonging to Bellevue College, or to another individual, without permission;
- Ⓢ not allow another individual (authorized or not to use the Bellevue College technology resource) to use provided web space account passwords;
- Ⓢ refrain from interfering or disrupting Academic network users, services or equipment;
- Ⓢ neither send, receive, nor distribute unauthorized copies of copyrighted materials, including software, books or music;
- Ⓢ refrain from posting materials for commercial purposes, or to conduct political campaigning or lobbying for votes for either myself or others;
- Ⓢ not create, disseminate, or execute self-replicating or destructive programs (e.g. viruses, worms, Trojan horses) or distribute any computer programs intended to disrupt normal computer use;
- Ⓢ not participate in activities involving non-disclosure or masquerading as defined in this policy, hiding either my true identity or the true source of the Web pages;
- Ⓢ avoid subverting, attempting to subvert, or assisting others in subverting or breaching the security of any Bellevue College network or technology resource, or to facilitate unauthorized access.

I have received and read copies of the Contract, of the Bellevue College Academic Network web Space Usage Policy and the Acceptable Use of the Bellevue College Network and Data Management Systems Policy.
