

The Associate in Applied Science-T is not designed to transfer universally, but rather it is a dual purpose degree designed to prepare students for work and to transfer to a limited number of degree programs at some baccalaureate institutions. AAS-T degrees are technical in nature and the general education courses, though the same as general education courses included in universally transferable degrees are fewer than in the Associate of Arts and Sciences or the Direct Transfer Agreement (DTA). Programs that offer this degree option will have articulated a transfer agreement with one or more four-year institutions. This degree transfer to Washington State University and Eastern Washington University only.

**Important Notes and Conditions:** additional notes on page two.

- The ▲ indicates a course number and/or title changed effective summer 2008. For a list of courses to cross reference go to [www.bellevuecollege.edu/ccn](http://www.bellevuecollege.edu/ccn)
- A course can not be credited toward more than one distribution or skill area.
- The **BOLDED** numbers below are shared (cross listed) courses with other departments. These courses can count only once for credit [Example: AMST 160 is the same as POLS 160 and may only count as AMST or POLS]. Consult course catalog or meet with an advisor.
- Only 100 and 200 level coursework as specified allowed.
- Universities may have other specific admission requirements in addition to those of the transfer degree.
