What type of trip is this?

It's my commute.
 It's for business, but not my normal commute.
 It's personal.

How often will you take this trip?

At least once a week, on a schedule.
 Just one time.

12) Now that you have created a trip you can search for your RideMatches. Hover the mouse over the Ridematch tab on the top right, click “Manage trips” and then from there click the “Find matches” button on the right hand side of the screen.

13) You will then see your match results based on closest matches to your commute.

- 14) Next you will be able to send a message to those that you see fit to be a match and arrange meeting or discussing arrangements over the phone, email, whichever works under your comfort.

- 15) You will then be able to manage your responses from these message from your inbox in BC RideMatch. To get to this inbox hover your mouse over the Ridematch tab on the top left and then click on the "View your inbox button."

Did you know?

You can ridematch for your daily commute and you can ridematch for occasional trips such as a weekend trip or a trip to an event.

The next time you plan a trip - think rideShare!

Welcome Bellevue College Community!

If you have not done so, make sure to [create a trip](#) or [find matches](#). Remember set your profile settings to [show your contact information](#) to find a match!

View [Rewards](#) to find out about great prizes and check back frequently.

16) Now the last thing you need to do is log your trips! This is what will make you eligible for the available incentives.

17) Hover your mouse over the "Calendar" tab on the top left.

18) Next you will click your mode of transportation for commuting on the left, select whether or not it is a round trip, and then click on the calendar days in which you commuted using that method. This will also allow you to see your savings shown on your homepage when logged in.
